

Sole / Armchair
Design / Aldo Ciabatti

High quality and curved, sinuous shapes are the defining features of the Sole collection. The large fretwork characterises the balanced and simple style of this collection. Sole is a collection suitable for both residential and contract contexts.

Materials

Steel

Iron and carbon alloy, with carbon content below 2%, treated to withstand the elements with the unique EMU-Coat anti-corrosio process.

Maintenance: To keep the product in good condition for a long time, we recommend storing it indoors and in a dry place during the winter to prevent condensate from forming. Before the winter and on a quarterly basis, if the products are kept near the sea, it is recommended to clean the metal surfaces with a soft cloth using water or detergent and protect them with Vaseline oil or car wax.
