

## Cross / Coffee table Ø70 Design / Rodolfo Dordoni

The re-edition of the Cross series by Rodolfo Dordoni, a plastic design collection that combines fluidity and formal rigour with a sophisticated combination of materials, is designed for relaxation. The classic-contemporary style of the lines is embellished with the basket weave that characterises the backrest, a tribute to the tradition of master weavers.

## Materials

### **Steel**

Iron and carbon alloy, with carbon content below 2%, treated to withstand the elements with the unique EMU-Coat anti-corrosio process.

**Maintenance:** To keep the product in good condition for a long time, we recommend storing it indoors and in a dry place during the winter to prevent condensate from forming. Before the winter and on a quarterly basis, if the products are kept near the sea, it is recommended to clean the metal surfaces with a soft cloth using water or detergent and protect them with Vaseline oil or car wax.
