

Re-trouve / Chair Design / Patricia Urquiola

The Re-Trouvé collection originates in traditional forms rediscovered and reinterpreted with cleverness and originality by Patricia Urquiola. Re-Trouvé furniture conveys elegance and character in both classic contexts and contemporary settings. Geometric designs consisting of repeated diamond-shaped patterns create unusual and charming forms. Re-Trouvé blends naturally in every outdoor setting.

Description

Code: **565**
Typology: **Chairs**
Collection: **Re-trouve**

Seat Cushion: Yes
Static Load: 200 Kg
Cushion Material: Acrylic fabric

Technical Info

Width: **Ø 66 cm**
Depth: **Ø 60 cm**
Height: **78 cm**
Weight: **7.30 Kg**
Static Load: **200 Kg**
Seat Cushion: **Yes**

Packaging

Packages: **1**
Pieces for pack: **1**
Dimensions: **62x62x83 cm**
Volume: **0.319 mc**

Polyethylene bag and cardboard box

Re-trouve / Chair

Materials

Steel

Iron and carbon alloy, with carbon content below 2%, treated to withstand the elements with the unique EMU-Coat anti-corrosio process.

Maintenance: To keep the product in good condition for a long time, we recommend storing it indoors and in a dry place during the winter to prevent condensate from forming. Before the winter and on a quarterly basis, if the products are kept near the sea, it is recommended to clean the metal surfaces with a soft cloth using water or detergent and protect them with Vaseline oil or car wax.

Cushion Material

Acrylic fabric

The 100% acrylic fabrics combined with a polyurethane internal coating. This step makes it water-repellent, highly resistant to UV rays for excellent outdoor performance.
